A modern bathroom interior featuring a dark grey wall and a wooden floor. On the left, a chrome shower system with a large overhead rain showerhead and a handheld showerhead is mounted. To the right, a white rectangular sink is set into a dark vanity unit with a white countertop. A large mirror is mounted above the sink, reflecting the shower area. A shelf with folded white towels is visible on the wall between the shower and the vanity. The text 'MRT' is displayed in large white letters, and 'set Termostático' is displayed in smaller white letters below it.

Set de Ducha Digital

PRO

Con indicador de Temperatura y Temporizador

- Rociador Rectangular 200mm x 300mm
- Teleducha de 1 posición
- Flexible doble grapado
- Salida inferior funcional (llenador de bañera y/o recipientes).
- Cuerpo de la grifería con Termómetro de Temperatura del agua, Temporizador*de uso continuado y Función Repisa
- Rectangular Water spray 200mm x 300mm
- 1 position shower head
- Double staple shower hose
- Functional bottom outlet (bathtub filler and/or containers)
- Faucet body with Thermometer
- Water temperature, timer* of continued use and Shelf Function

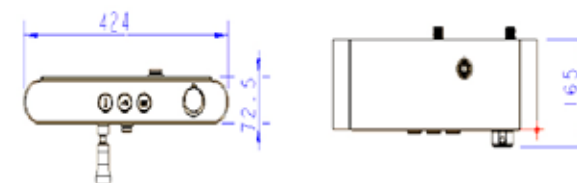

*El indicador digital funciona con un generador tipo LED que no precisa corriente ni pilas, genera la luz a través de la fuerza del paso de agua.

*The digital indicator works with an LED type generator that does not require power or batteries, it generates the light through the force of the water passage.
